

The material on this website is intended only to provide a summary and general overview on matters of interest.

Product details, images and CAD drawings may vary depending on installation and specific product models. Information provided on this website is only a representation of the products available. It is not provided with the intention of giving a comprehensive understanding of the way in which our products perform or the suitability for use in a particular environment or circumstance. Such an understanding should be based on our specification manuals which relate to the products at the time of manufacture and on the advice of those qualified to advise on such matters.

To the maximum extent permitted by law, Vanguard Blinds takes no responsibility whatsoever to you or anyone else for any loss or damage suffered as a result of or in connection with the use of this website or any of its content. This includes, but is not limited to, the transmission of any computer viruses and any subsequent constructive loss which may occur. We recommend that prior to downloading any files, photos or articles, an appropriate virus check should be conducted.

Vanguard Blinds provides links to other sites for your convenience, however we take no responsibility as to the accuracy or currency of information on those sites. We do not endorse any information, goods or services referred to within the sites and our provision of links should not be taken to be an endorsement.

Vanguard Blinds authorises printing of content for personal use only and, all other use, copying or reproduction of this website or any part of it is prohibited (except to the extent permitted by law).

## **Collection of Statistical Information via our website**

Our internet service provider makes a record of each visit to the web site. When you visit our website, the following information is logged for statistical purposes only:

- your server address
- your top level domain name (for example .com, .gov, .au, etc)
- the date and time of your visit to the site
- the pages accessed and documents downloaded by you
- the previous site visited by you
- the type of browser used by you
